Testimonial Disclaimer

Testimonials shared on our website or in our materials represent individual experiences. These experiences are personal and may not reflect typical results. We do not claim that these outcomes are guaranteed or universally achievable. Your results may vary depending on your unique health, physiology, and consistency with care.

Performance Disclaimer

Our care is focused on improving function, supporting the nervous system, and helping clients feel and perform at their best. However, individual results depend on numerous factors including baseline health, compliance, and personal physiology. We do not guarantee performance gains or specific health outcomes.

No Doctor-Patient Relationship

Viewing this website or interacting with our content does not establish a doctor-patient relationship. Medical decisions should be made in consultation with a qualified healthcare provider.

Notice Under the No Surprises Act

If you're not using insurance, you're entitled to a Good Faith Estimate explaining expected costs before receiving care.
